

# 2024 Kindness Project

## January

In honor of National Pizza Week, we gave out gift cards to local pizza places.

## February

5Point employees volunteered packing senior citizen boxes at the Southeast Texas Food Bank and donated non-perishable items to the Montgomery County Food Bank.

## March

5Point employees handed out local grocery store gift cards to random shoppers to help cover their bill.

## April

In honor of National Pet Day, 5Point employees donated items to local animal shelters.

## May

In honor of National BBQ Month, 5Point employees handed out gift cards to customers at local barbecue joints.

## June

We fueled up #5PointKindness by handing out gas gift cards to our valued members at our branches. Making a difference and spreading smiles, one tank at a time!

## July

We brought smiles and sweet treats to our community with our #5PointKindness project by handing out gift cards to local snow cone shops!

## August

We randomly selected 10 teachers and fulfilled items from their Amazon Wish Lists. We appreciate the dedication these teachers show to our community and are happy to support them.

## September

We served up smiles and cheeseburgers! Nothing says KINDNESS like a delicious burger and fries to brighten someone's day!

## October

With pumpkin spice season in full swing, we brewed up some #5PointKindness at local coffee shops. If you stopped by for your coffee fix, you might have enjoyed a 'latte' KINDNESS from us!

## November

In honor of World Kindness Day, we treated people to car washes at Heritage Express Car Wash in Nederland, bought lunch at Chick-fil-A in Magnolia, and shared small acts of kindness with our members.

## December

We put the "give" in giving and "kind" in kindness by helping Meals on Wheels deliver some seasonal sparkle, one delivery at a time!
