## Select Language Seleccione El Idioma

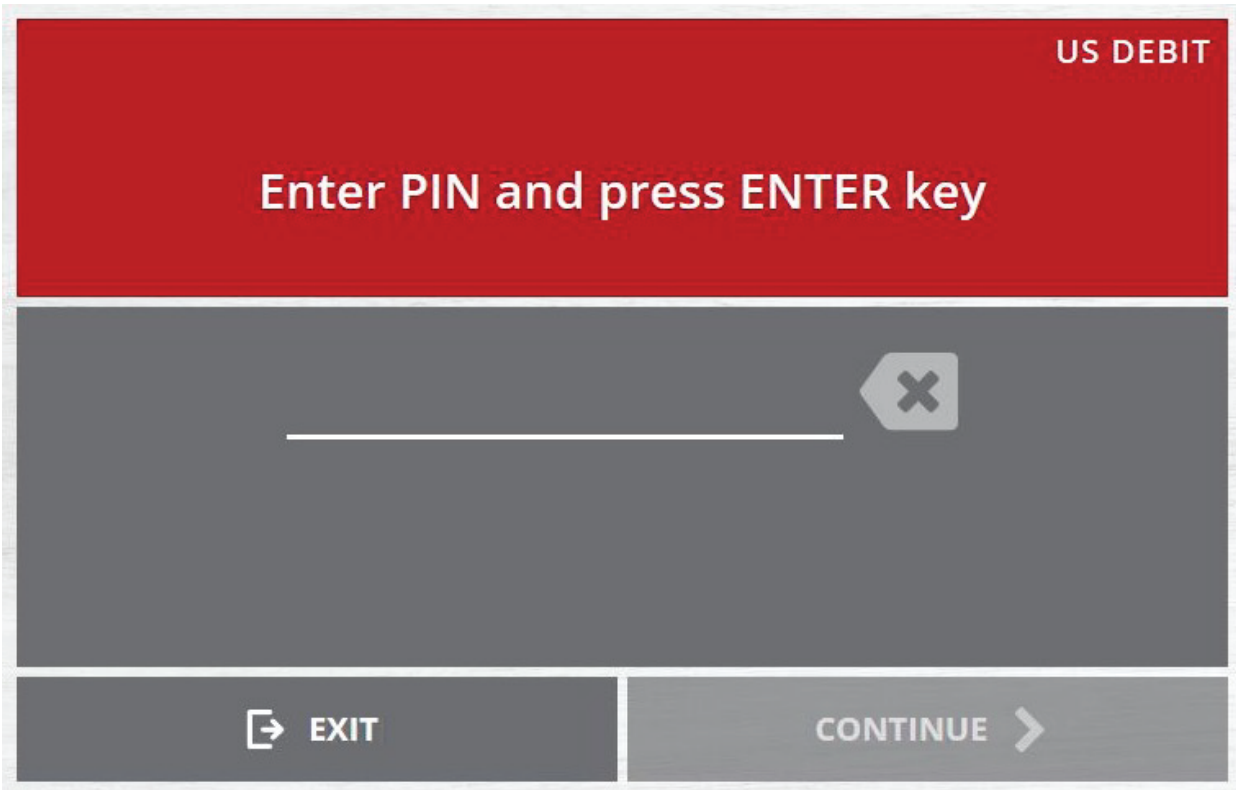

English

Español

➔ EXIT / SALIR

### 3. Type in your PIN number.

*If you do not know your PIN, it can be reset by calling 1-888-886-0083.*

US DEBIT

Enter PIN and press ENTER key

\_\_\_\_\_ 

 EXIT      CONTINUE 

This screenshot shows a red header bar with the text "US DEBIT" in the top right corner. Below the header, the instruction "Enter PIN and press ENTER key" is centered. A grey input field contains a white underline and a grey back arrow with an "X" icon on the right side. At the bottom, there are two buttons: "EXIT" with a left-pointing arrow icon and "CONTINUE" with a right-pointing arrow icon.

### 4. Select if you would like a receipt.

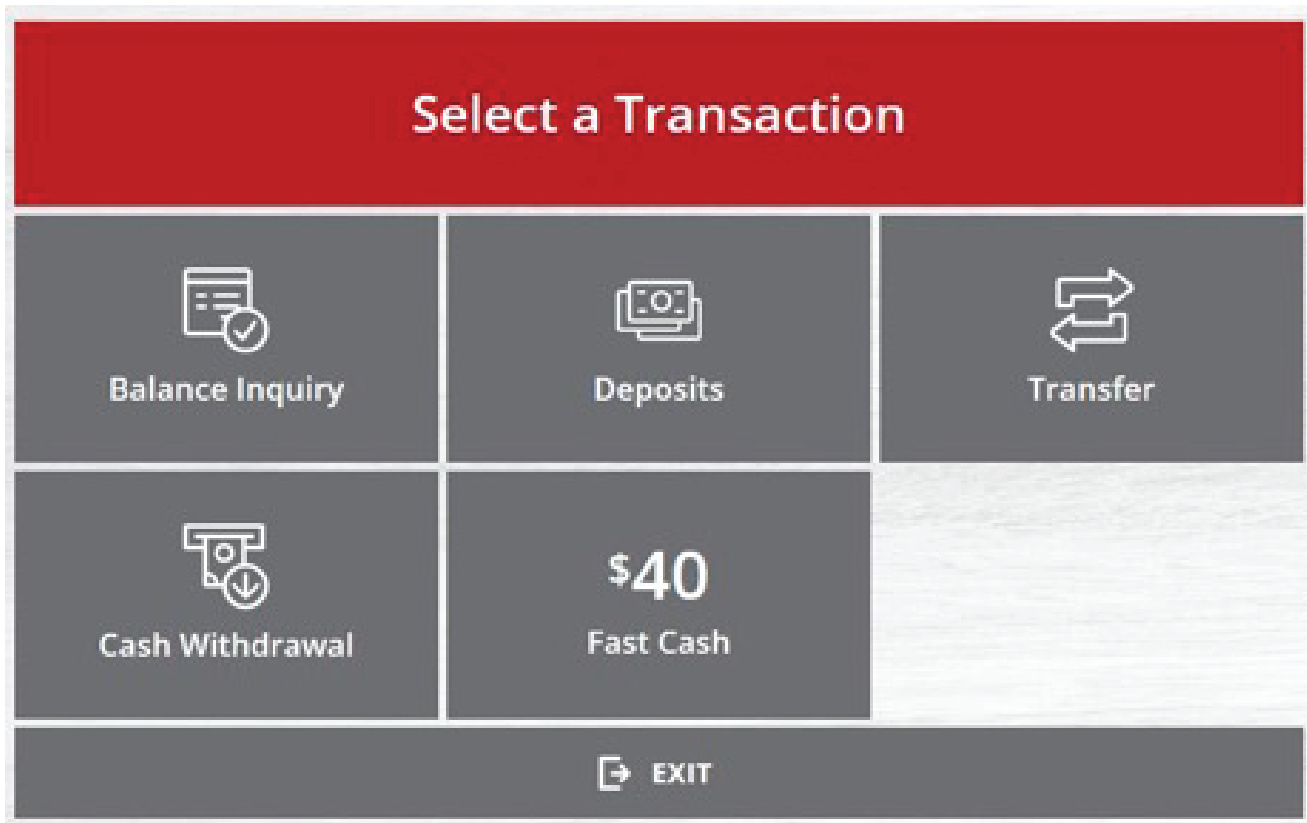

Do you want a receipt?

 No       Yes

 EXIT

This screenshot shows a red header bar with the question "Do you want a receipt?" in white text. Below the header, there are two grey buttons. The left button features a white icon of a printer with a diagonal slash through it and the text "No" below it. The right button features a white icon of a receipt and the text "Yes" below it. At the bottom, there is a grey bar with a white "EXIT" button containing a left-pointing arrow icon.

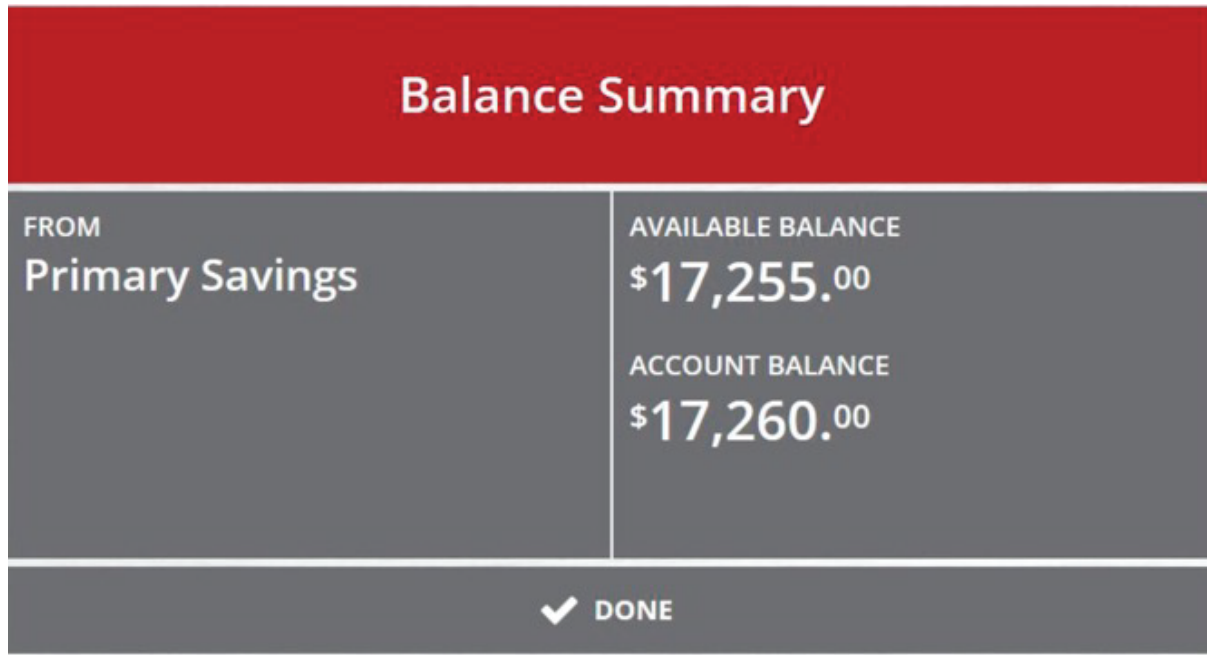

5. Select the transaction you would like to complete.

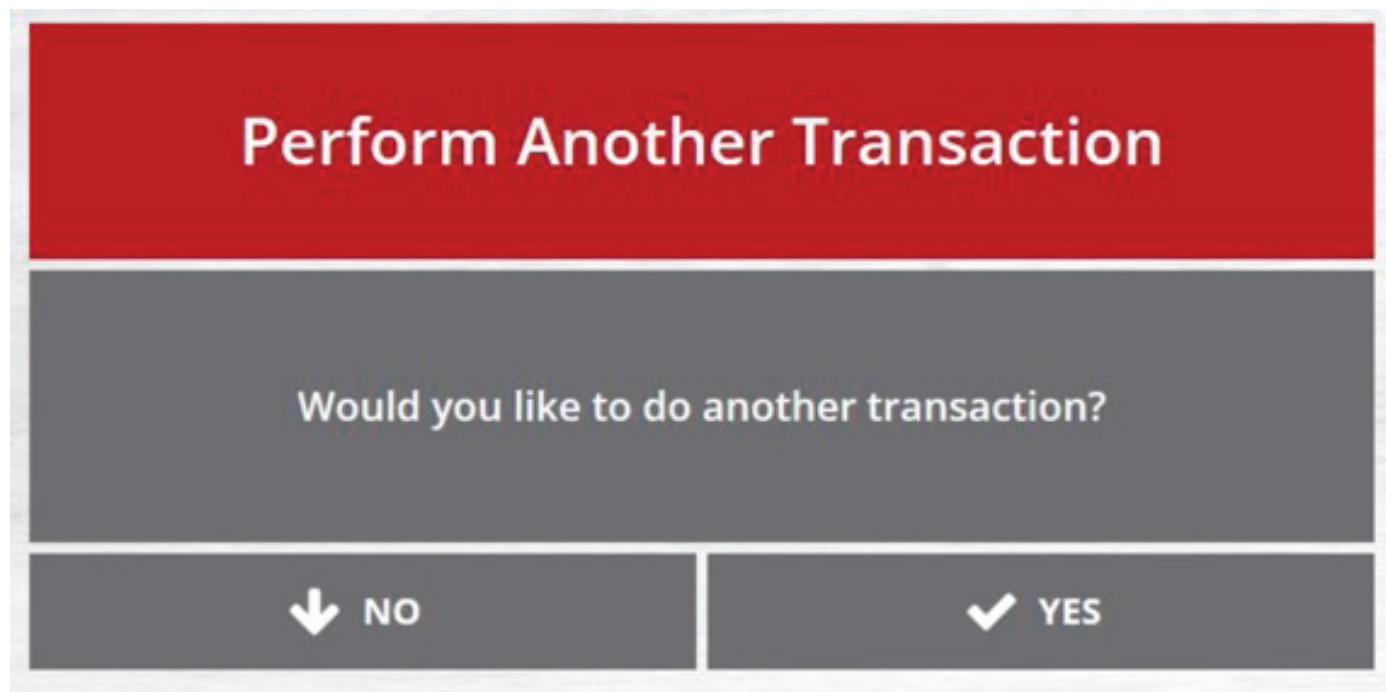

6. A "Please Wait" screen will appear after selecting "Transfer."

7. The screen will display your account balance.

8. You will be asked if you would like to perform another transaction.

9. The ATM will remind you to take your receipt.
